

Consultancy Services for Planning, Detailed Design and Procurement of Traffic, Transportation and Mobility Improvements for Trincomalee, Dambulla, Kurunagela and Ratnapura in Sri Lanka (Package No. SUDP DPC TR 01)
Additional Information for consultant submitting EOI

Note 1 : This submission is Manual in the prescribed format - See Attachments in TOR Section.

Deadline for submission: Deadline for submission will be 11 June 2018 at 04.00 P.M. Please ignore the time (11.59 P.M.) indicated in the CSRN.

Note 2 : Use the EoI Template Attached in ToR Section (EoI submitted in the prescribed template only will be accepted)

Note 3 : See Attachments in TOR Section for Full "Other Information"

Note 4: (i) EoI Format for submission; (ii) EoI Notification; (iii) Terms of Reference; and (iv) Additional Information for submission also given in Ministry's Project Website <http://www.scdp.lk/sudp.html>. These can be downloaded for use.

Other Information:

1. The submissions are manual and should be submitted in hard copies in the prescribed format to the address given. Prescribed EoI Format attached in Attachments Section.

2. Projects sheets of 10 projects will be considered for evaluation. Consultant may be provided details up to 10 projects in the format attached in Ministry's Project Website <http://www.scdp.lk/sudp.html>.

3. This advance procurement is under the proposed TA loan to Government of Sri Lanka for ensuring project readiness for the main loan.

4. Consultants are required to give complete details along with the certificates of the client.

5. Executing Agency will not accept any EoI that is not in the format EoI template attached with this. The template attached to be used and filled up and full details need to be given for proper consideration and evaluation of the EoI. (ADB template has been detailed for obtaining additional information for evaluation. Hence, the format attached to be used.)

6. The information given by the consultant will be taken as final and no additional information / clarification will be sought from the consultant. Hence the consultants are required to provide full details of their qualification and experience.

7. For Management Competence - it is sufficient to provide the details of the lead firm in case of JVs / Association. For Technical and Geographical Competence all JV / Associate / subconsultant firms need to provide the required details.

8. All submissions should obtain proper receipt of acknowledgement for the submission. EA is not responsible for loss in transit or other reasons of non / late submissions.

9. EA will consider the project as substantially completed, if it can produce an authorized proof of payments to an extent of 80 % of the contract amount duly signed by an authorized representative.
